

ABOUT US

SASCO, started in the year 2010 as a heavy equipment rental company has now transformed as a complete Industrial Service provider. In its long journey together with customers, partners, other individuals and societies since its foundation, SASCO has sought to pioneer new approaches in Industrial Services. It is Quality, Innovation, competitive and apt Engineering services which has been the driving force behind the success of SASCO.

Our proven track record of innovation, high performance and safe maintenance & operations are well complemented with wide range of services, equipment and specializations to make it a nation's leading Industrial Service provider.

Our success over the last decade can be attributed to our commitment to customer service. Every day, our professional and dedicated Employees, Engineers and Maintenance Specialists recommit themselves to work as a team to consistently meet or exceed the quality expectations of our customers. It is their way of offering tangible proof of their pledge to quality services and maintains health, workplace safety, and environment.

Inspired by the strong passion of our mission statement, we have taken up the challenge of transforming ourselves into a company with a truly global presence. To accomplish our vision and mission, we will forge alliance with our employees, Customers and Suppliers to provide unique services that meet our customers' requirements.

MESSAGE FROM CEO

Welcome to Saad Abdullah Al Shahrani Cont. Co.Ltd

Our Company purpose, to solve Rental facility and construction related challenges, is what we aspire to do in a broad, enduring sense. This purpose has been evident since the establishment of our entity when our founders set out to build a premium quality service establishment.

The values we share are embodied in what goes on at SASCO Co.Ltd. from day to day. Team members must exhibit ethical and honest behavior, and SASCO Co.Ltd. must offer fair, equal conduct in a safe, healthy workplace. We believe that in such an environment, sound decision making and effective strategies flow naturally from the give-and-take of daily business engagements among all team members.

The SASCO Co.Ltd. business model is our platform for success. I have always believed that when it comes to defining and communicating a company's vision and goals, conciseness is a virtue.

I am continually impressed by the resourcefulness and entrepreneurial quality displayed by our people and the exceptional value they bring to the company. This allows us to deliver added product value and outstanding customer service to clients who can count on us to carry out our promises. Our staff and SASCO Co.Ltd. are regularly assessing and reviewing our clients' needs, the programs we offer, and the effectiveness of the services we provide.

We care about our team members' health and well-being by providing a safe work environment and encouraging a healthy lifestyle. Above all, we aim to be fair and honest with team members and to provide them with meaningful, challenging work. We believe no one has a monopoly on good ideas, and, in order to grow professionally, we will work with anyone who has constructive proposals for improved performance.

As a leader in the Rental Services & Civil Works, our team is committed to maximizing client satisfaction through innovative and value added quality services. We take pride in selecting the right teams to meet the demanding and ever-changing needs of our clients. Our leadership in this industry is directly attributable to our talented staff's dedicated attention to our clients' needs and executing effective solutions to achieve success.

That is SASCO Co.Ltd. — a company with a proud past and a bright future!

On behalf of SASCO Co.Ltd., I invite you to explore our profile and learn more about all we have to offer. I am sure you will see why we love what we do.

Sincerely,

Saad Abdullah Al Shahrani, President and CEO

QUALITY POLICY

It is the policy of Sasco to distinguish itself in the industry by providing prompt and superior service of international quality at very competitive prices to its clients. We give Quality and Customer service the same emphasis as the financial and productivity aspect of the business. We ensure that our quality policy is well understood and observed by all the members of our staff and our subcontractors. We encourage our employee's participation in quality related discussions so as to generate a sense of team work and make quality performance, their norm. Nevertheless, we will periodically review our quality policy and objectives to ensure their suitability and effectiveness with an aim to continuously improve Quality.

OUR VISION

To be one of the leading and most successful industrial services company in the Kingdom

OUR MISSION

We will achieve our vision by providing excellent service to our clients consistently, at a very competitive price without compromising on quality

CORE VALUES

- Quality – exceptional quality delights our customers and is essential to customer growth and retention.
- Service – at SASCO Co.Ltd., service is not simply a concept. It's how we develop and maintain customer loyalty.
- Innovation – it is the driving force behind our long term growth.
- Peak performance – our commitment is to prepare as individuals and as a corporation to do our best.

EQUIPMENT RENTAL SERVICES

Our Equipment Rental Division built a solid reputation for itself during the huge development plan years of Saudi Arabia. The Heavy Rental Division Equipment now continues to support these projects by long and short term rental contract of heavy machinery.

In the equipment rental we do not only rent equipment but we also support our clients with highly qualified heavy machinery operators, maintenance engineers and technicians.
